DETAILED ACTION

Response to Amendment

1. Receipt is acknowledged of the Amendment filed December 3, 2004. The amendment includes amended claims 1, 3, and 13 and a cancelled claim 2.

Allowable Subject Matter

2. Claims 1 and 3-13 are allowed.

The following is an examiner's statement of reasons for allowance: none of the cited prior arts of the record discloses or fairly suggests an iconographic medical and population survey kit comprising, among other things, at least one family data entry form further comprising a home description array having a plurality of physical home quality data fields and a home iconographic data array; a plurality of color-coded iconographic symbols configured for attachment to said family data entry form and said iconographic symbols comprising people-representative iconographic symbols and condition-representative iconographic symbols. After further search and thorough examination of the present application and in view of the Applicant's remarks and amendments, claims 1 and 3-13 are found to be in condition for allowance over the prior art made of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
